About Julia's Grace Foundation

"Do you ever get sad and blue?" – a simple question asked by an 8-year-old child of her mother. The conversation continued, *"I have a list of things to do to make you happy"*. With that, Julia recited her list - think of puppies, watch a funny movie, give someone a hug; a list of things that simply make you smile.

A few days after giving us her list, Julia died from cancer. Julia's amazing insight was a parting gift to all of us. This list has been our guide – not only giving us comfort and hope but providing a way to bring happiness to other children and families affected by cancer.

Julia's Grace Foundation, a registered 501(c)3, brings moments of happiness and support to children with cancer and their families. Our hug program delivers boxes based on Julia's list to children with cancer and our grace program provides families with financial support.
