Dear Community Businessperson,

Some of you may know me from the many years I reached out to you requesting your support as *GSK Golfers Rally for a Cure* partnered with Susan G. Komen, Philadelphia Affiliate to raise money and awareness. During that 17-year period, you helped so many patients and their families by your participation, kindness and generosity and I can't thank you enough! Last year, though, Susan G. Komen was forced to close all regional offices and sadly our partnership with them ended. Our charitable work is not stopping there, though. We have a golf outing date and an organization to help!!! I am so happy and proud to partner with **Julia's Grace Foundation[®]** – a local organization that supports children with cancer and their families.

| It All Started with Julia | Our Mission |
|--|---|
| <p>A little girl with big blue eyes that sparkled with each smile, an infectious giggle that made others laugh along with her, and an enthusiasm and outlook for life that were contagious.</p> <p>It all started with Julia. A child with unbounded optimism who was not afraid to sing out loud because she knew the sun would come out tomorrow.</p> <p>Julia had the ability to give hugs that would make a friend feel appreciated and a stranger feel loved. She had a generous spirit, not only caring about others, but also taking real action. Julia gave away her presents to other children with cancer and raised money to help doctors that were working to find a cure.</p> <p>It started with Julia, an eight year who loved life and who taught us all how to live.</p> | <p>Julia's Grace Foundation[®] is a nonprofit organization with 501(c)(3) status created to honor Julia's dreams and wishes by bringing moments of happiness and support to children with cancer and their families.</p> <p>Julia's Grace Foundation[®] provided support to children with cancer and their families to help make their days <i>normal</i>. Remembering that kids need to be kids and everyone needs a <i>hug</i>, the Julia's Grace Foundation[®] offers opportunities for special family moments, whether at home, in the hospital, or at public events and venues.</p> <p>Julia's Grace Foundation[®] also grants financial assistance to families experiencing financial difficulties as a direct result of a child's cancer treatment or care. The Foundation also works to increase public awareness about childhood cancer.</p> |
