

Julia's Grace Foundation is gathering artwork for our 2024 *Julia's Grace*® Calendar. Of course, this year's theme will come from Julia's list of *Ten Things to Do to Make You Happy*.

We would love to see your child's artwork based on one of the items on Julia's list. All calendar submissions are due by **October 30, 2023**.

After reviewing all submitted artwork, we will select one piece of art to represent each of the ten things on Julia's list. Selected artists will be notified by November 4, 2023 and will receive a copy of the printed calendar and a bag of Julia's Grace Swag! Even if your child's artwork is not selected for the calendar, you might see it featured on our website or social media pages.

Artwork can be submitted via US mail, at a school drop-off site, or via a high-quality jpeg file. Please note that if your child's artwork is selected and you submitted it via an electronic file, you will be asked to provide the original version to *Julia's Grace*®.

Please complete and return this form with the following information with your submission:
